In the event that we can not contact you within 24 hours of the date a position becomes available, your child's name will move down one spot on the waiting list. After we have contacted you twice about an opening and have not received a response, your name will be deleted from the waiting list.

**Waiting List Disclaimer:** Parents that have children enrolled in a program who are adding a sibling to the waiting list take priority. Church members are then put on the list, followed by non-members. An example scenario would be: Mrs. A, a non-member, is expecting a child in August and adds her name to the list in January. Mrs. B, a member, has a child who was born in May and adds her child's name to the September list and adds her name to the list in March. There is an opening in the Infant room in October. Mrs. C is given the first opportunity to enroll. In the event she turns the opening down, Mrs. B will then be given the opportunity. In the event she turns down the opportunity, the director would then go to the remaining names on the Church Member list. If none of these took the opportunity, then the director would begin with the first name, perhaps Mrs. A, will then be called in order of the date they added their name to the list.
